- In mid-December, the Student Council will be hosting an Entrepreneurship Fair for students at Phoenix. This is an event where students can sell their HOME-MADE creations at school and will be optional for all students at Phoenix. The Fair will be for students to get creative, make money (20% of profit will go to the Student Council), and buy presents for an affordable price. The classes will be called down according to their designated time provided. Starting Tuesday at break, there will be a sign-up sheet the Student Council board in the foyer to sign up. Please include your name, the product you would like to sell, and your homeroom teacher's name. Sign up by this Friday and stay tuned for the first information session!
