  T-SHIRT and WATERBOTTLE

- **Discover Your Passage: Campbell River Career Education Week**

Date & Time: Thursday, November 26 | 5:30 PM - 8:00 PM
Location: Timberline Secondary School & North Island College

K-12 students and families are invited to explore the incredible career and educational opportunities available right here in our own backyard at *Discover Your Passage: Campbell River Career Education Week*.
This exciting community event is designed to help students discover local career pathways, connect with industry professionals, and learn about the many opportunities available throughout the Campbell River region.

Career Expo Highlights
The Career Expo will showcase four key areas of opportunity within our community:

Forestry and Technology
Guardianship, Aquaculture and Marine
Emergency Services
Education, Trades and Training
The evening begins in the **Timberline Theatre** with special guest speaker **Jared Douglas**, star of the television series *The Last Woodsmen* and owner of **Cypress Creek Logging**.

From **5:30 p.m. to 6:00 p.m.**, Jared will share his inspiring story of growing up in Campbell River, building a successful business, and adapting to the challenges and opportunities of a rapidly changing economy.
Following the keynote presentation, students and families will have the opportunity to explore exhibits throughout **Timberline Secondary School** and **North Island College (NIC)**, connecting directly with local professionals, employers, training providers, and educators to learn about the many career pathways available within our community.

Interactive Experiences
Participants can look forward to a variety of hands-on activities and demonstrations, including:
TeenFlight Flight Simulator

Heavy Equipment Simulator
Drone Demonstrations
Fire Trucks, Ambulances, and Police Vehicles with an interactive 'Collision Reconstruction" presentation put on by the RCMP.
Interactive Industry Displays
And much more!

Win Exciting Prizes!

Students who engage with participating organizations throughout the evening will be entered into prize draws. Students can also test their skills on an actual **Grapple Yarder** machine and participate in other interactive challenge to win the **Grand Prize: Vancouver Canucks Tickets**, donated generously by **Cypress Creek Logging**.

Food, Fun & Community

Enjoy food from local food trucks and catch **The Eagle** broadcasting **Live on Location** throughout the event.

Explore Educational Pathways with NIC

Representatives from **North Island College** will be offering tours of their trades facilities and will be available to discuss educational and training opportunities that can help students begin their journey toward discovering their own passage.

Everyone is Welcome!

This event is open to **all K-12 students and families** interested in learning more about the rewarding careers, training programs, and educational opportunities available right here in our region.

Come discover your passage and explore the possibilities waiting in your own backyard!
