

It is hard to believe it is November already and the start of Quarter 2! We are 1/4th the way into the year with many updates on grad fundraising and events happening now!

Grads are reminded to check the Teams group to stay up to date on everything going on including deadlines, important dates and fundraising information! The grad page on our website and daily announcements are updated frequently as well. Newsletters will be sent out periodically so please do refer back to Teams and the website for all of the update to date information!
