

WELCOME

The countdown to graduation has begun as we finish the second month of this ten month journey. A great effort from both parents and students will make this year's graduation a success for all. Carihi staff have already been making great progress with planning activities and fundraisers that are already underway.

FUNDRAISING

Fundraising plays a key role in the success of our planned graduation activities. We appreciate the time and effort grads and parents invest in fundraising and we appreciate the support of family, friends, and the community who support our grads by participating in fundraising events. The Poinsettia fundraiser event has started. There are several fundraisers throughout the year including Purdy's and Spring Flowers and more.

We are looking for parent volunteers that would like to help out for certain events such as poinsettia delivery day. If you are interested please email carihi.grad@sd72.bc.ca

Annual Poinsettia Fundraiser is on now! Order forms can be picked up at the office or orders can be made directly online at <https://carihisecondary.growingsmilesfundraising.com/home>

Paper order forms are due back to the office by November 9th. Online orders are open until November 13th. Order pick up day is November 24th from 3:00-5:00pm —all orders must be picked up on this day, we cannot store any plants.
