## Library News

Due to the upcoming change over in our database system, we need all non-essential library materials returned by May 23rd. If you have a textbook or class novel you are currently using, you may keep them until you are done with them, but everything else, even silent reading books must be brought back. If you have a lost or damaged book, you need to pay your fine. Anything outstanding after May 23rd will be marked as lost and you will be charged for the item. If you have a clean library record (no books signed out and no fines) by May 23rd, your name will be entered into a draw to win four \$50 cash prizes! We will not be signing out any more books after May 23rd. The library will be closed as of June 1st.
