

ÉCOLE PHOENIX MIDDLE SCHOOL

Wednesday April 9th, 2025

Thursday Canteen: Pretzel

- Mountain bike club rides today. Be prepared for any weather. Bring a water bottle and snack. Meet at the portables at 3:00pm!
- Rugby practice after school today 3-4:30pm, see you on the field.
- 🌱 **Garden Club is Back!** 🌱

Join us **this Thursday, April 10 at lunch** in the **Woodshop (Room 214)** for our first Garden Club meeting of the season!

Everyone is welcome—whether you're interested in learning about plants and food, helping build things for the garden, or just want to get your hands dirty and make something awesome.

☺️ We're especially looking for **artists** to help with mural work and **students who like to build** to help bring new garden ideas to life. If that sounds like you, or you're just curious, come check it out! See you Thursday at lunch!

- **Woodworking Projects Pick-Up Reminder**

If you have completed a woodworking project, please make sure to pick it up by **Friday**. Any unclaimed projects will be **recycled** after that.

If you still need time to finish your project, come talk to me!

- **Volunteers** are needed for the **Elders Youth Gathering on Thursday April 24 10-11:30 am**.
 - Elders are coming to spend time with Phoenix students (playing games, reading/sharing stories, doing an art project).
 - Volunteer positions include: greeting, drumming with Karen, serving, spending time with an Elder, set up and clean up.

- The signup sheet is outside the All Nations Room 236. Please see Karen or Tami if you have any questions
