Log into office.com
Click on the O365 waffle
(top left) Select "All Apps".

Click the "... " and "pin" **Insignia OPAC** to your launcher.
(This will allow you to see it from your own list.)

To log in, click on the "login icon" top right.

When you are logged into O365, you will automatically be logged into Insignia.
If you are at home, you will have to enter your SD72 Microsoft credentials.
