School Supplies for NEXT YEAR

We will once again purchase school supplies in bulk. Purchasing in this manner provides all students with the same quality supplies, it also allows the teachers to tailor the supplies to meet their individual classroom needs, such as color-coded Duo tangs for different subjects etc. Bulk buying also gives us a better price for supplies and saves you from running around looking for a specific item.

This year we will collect \$ 40.00 for each student. Please send the form below clearly marked with your child's name. Payment may be made with cash, or eTransfer (eTransfer preferred to willowpoint@sd72.bc.ca) no later than June 18^{th.}

Thank you.
