CARIHI ANNOUNCEMENTS

Good morning, Bonjour, Buenos Dias and Gilakas'La Carihi

Monday November 9th

Our school is collecting donations to purchase two wreathes for Campbell River's Remembrance Day ceremony.
These wreathes will serve as a symbol of remembrance and respect for the men and women who have served Canada. Collection will occur in A block classes. Please consider contributing to this important cause.
Together, we can help keep their memories and sacrifices alive.

Indigenous Veterans Day
This past Sunday was Indigenous Veterans Day. Every year on November 8th, in the lead up to Remembrance Day, we specifically honour the contributions of Indigenous service members.
Like so many who served, this meant leaving their home community for a foreign place that put them in the face of danger. However, through the process of enfranchisement, enlisting also meant that most gave up their status and rights as an Indigenous person in Canada. In other words, they were no longer able to claim their Indigenous identity under the Indian Act, removing their band membership and preventing them from living in their home communities, among other things. When they returned from service, many were also denied the same benefits other veterans received, despite serving as equals under the flag.
Indigenous Veterans Day "serves not only as a time to commemorate the service and sacrifice of Indigenous Veterans, but also as a moment to acknowledge the historical injustices many faced during and after their military service" (Government of Canada).
