

ÉCOLE PHOENIX MIDDLE SCHOOL

Friday, February 13th, 2026

No School is in Session: Monday & Tuesday

- Grade 6 Boys Basketball Team please meet in Room 100 (Mme Gleeson) for a brief meeting at lunch.
- The grade 8 Girls Basketball team played their final game of the season yesterday. Clara led the offense early with three baskets in the first half, setting the tone for the team. Ali followed up dominating shots on net in the second half. The girls played hard, supported each other, and showed determination right to the final buzzer.

Great work girls! Your coaches are very proud of all their hard work and improvement this season!

- Phoenix is holding a digital chess tournament next week and the week after (February 19th and 24th) in the multi-media lab (and the library, if necessary). The top three in each grade will be invited to play in a face-to-face tournament at Georgia Park on March 4th. Please see Mrs. Parkinson or Mrs. Fortin to sign up. Grade 8's where are you? There are lots of grade 6's and 7's in the tournament, but we need more grade 8's! The tournament at Georgia Park is single round knockout.
- Temporary bus passes will not be issued after lunch break.
- Hey Phoenix Firebirds! Do you love pie? Are you familiar with 3.14159? In one month, we will be celebrating Pi Day in all of its numerical majesty! There will be pie, circles, and other round things. Stay tuned for more information!
- There is a new reading challenge in the Library for February! The whole purpose is to READ new books, please do not fill it in with books you've already read... that defeats the challenge!
- BAKE SALE **today** at break time in the foyer!
