

# Course Selection

## 2026-27

**The Student Course  
Selection determines  
what courses are offered  
next year.**

**Ensure you select the required courses for your grade and the correct number of Electives and Alternatives.**

**Any Required  
Courses that you  
have failed in  
grade 10 or 11  
Must be Taken  
Over Again.**

A close-up, low-angle shot of a black graduation cap with a gold tassel. The cap is positioned on the left side of the frame, with the tassel hanging down. The background is a soft, out-of-focus green and yellow, suggesting an outdoor setting. A blue and white geometric graphic element is overlaid on the right side of the image.

# The Graduation Program

- 80 credits needed to graduate. 4 credits per course
- Grade 10-12
- Mandatory and elective courses
- External Credit Opportunities
- Know how many credits you have!

# Grade 10 Course Selections

## Required Courses

- English
- Social Studies
- Science
- Math 10: choose 1 of:
  - -Foundations of Math 10 (60% or higher in grade 9 math)
  - -Work Place Math 10
  - -Mathletes 10 (60% or higher in grade 9 math)
- Physical & Health Education 10
- Career Life Education (CLE) 10

## Electives

- Choose 2 Electives and 3 Alternatives

## GRADE 10

Course Selection 2025-2026

# Grade 12 Course Selections

## Required Courses

- English 12
- 3 other grade 12 Required Courses of your choice
- Career Life Connections (CLC) 12

## Electives

- Choose 4 Electives and 3 Alternatives

Study Blocks are only considered in September and February at the beginning of each semester

# GRADE 12

Course Selection 2025-2026

## Instructions

In addition to English Studies 12, grade 12 students must choose 7 courses and 3 alternates. **Study Block applications will only be considered in September.**

## Post-Secondary

If you plan on attending a post-secondary, it is highly recommended that you check the entrance requirements for the schools that you are interested in and choose your courses accordingly.

1. All grade 12 Students must take an English Studies 12.
2. To complete your requests please choose **Electives** from the grade 11 and 12 courses in the course booklet and list them in order of preference. **To graduate, at least 3 of your courses, in addition to English Studies 12 must be at the grade 12 level.**
3. Don't forget to list any missing grade 10 or 11 courses (English, Math, Science, Social Studies, PE) that you will need to complete in grade 12.
4. Choosing any out of timetable courses does not count towards your 8 total courses.

*Please take the time to carefully choose your courses. The choices you make today determine the school's timetable. It may not be possible to change your selections later.*

**For full course descriptions and course information, the Course Selection Booklet can be found on the Timberline website under Students & Parents > Course Planning.**

# Career Life Connections (CLC) 12

- Students will complete Career Life Connections 12 in their grade 12 year
- This is a 4-credit course that is required for graduation
- CLC 12 will culminate with a Capstone Project in the Spring of Grade 12.
- This is an out of timetable course, meaning that students are required to complete the course on their own time using Microsoft Teams as the course platform

# Provincial Assessments

- Numeracy Assessment: Students will need to write a Numeracy Assessment in Grade 10
- Literacy Assessment: Students will need to write a Literacy Assessment in Grade 10 and Grade 12
- Students may write each assessment up to 3 times between grades 10 and 12

# Careers Program Updates

The image features a dark background with a pattern of faint, light-colored question marks. On the left side, there are several overlapping, three-dimensional geometric shapes in shades of blue and grey, creating a sense of depth and movement. The word "Questions?" is written in a large, white, sans-serif font on the right side of the image.

Questions?

# Grade 10 Specialty Courses

“WHY ISN’T EVERY COURSE  
LIKE THIS?”

GRADE 12 STUDENT

# Grade 11 Specialty Courses

**Sea to Stream 11**

- ▶ Sea to Stream 11 links you to local community groups doing all sorts of cool activities, and gives you a window into your own futures.
- ▶ It is an academically rigorous course but you also need to be excited about being outside.

# Grade 12 Specialty Courses
