

# HUMAN TRAFFICKING

The exploitation of human beings for personal, financial, or material gains.

Victims made to provide sexual services or labour through force, coercion, deception, and abuse of power, trust, and authority.

It's happening in **your** community.

## TRAFFICKING AWARENESS SESSION

- Learn how victims are recruited by traffickers.
- Recognize the signs and indicators of someone who is being trafficked.
- Understand a trauma informed approach to human trafficking.
