➤ **Rainbow Club / GSA Announcement**

Looking for a place to connect, relax, and make new friends? Come join the **Rainbow Club (GSA)** every **Friday at break in Ms. Kasdorf's room!**

Everyone is welcome, whether you're part of the LGBTQ2S+ community or simply want to be an ally in a friendly and inclusive space. We'll spend time hanging out, listening to music, playing board and card games, making friendship bracelets and buttons, and getting to know new people.

There may even be **snacks on some Fridays!**

Come as you are, bring a friend, and help us build a welcoming community at Phoenix. We hope to see you there! 🌈 😊

- Mt. Bike Club this year starts on September 23rd and will run every Wednesday, 3:00 -5:00 until the end of October or longer if individuals have lights. Pick up the form in Ms. Wilson's room downstairs (Room 105). Then, you need to get your form signed by your parent/guardian, returned and checked by Ms. Wilson and then Ms. Wilson needs to connect with your parents via text before you can ride with us.

We will meet on the gravel by the bike cage (outside of the courtyard) at 3. Make sure you have water and eat a snack prior. Pick up is at 5:00 PM in the bus loop.

If you need a club bike, you must inquire with Ms. Wilson. The first student who fills out the forms correctly and returns them will get 1 of 4 bikes.

- Attention anyone interested in Cross Country Running! We will have a very brief meeting this Thursday right after school in front of Mr. Paziuk's room (235) to hand out permission slips to interested runners. All levels are welcome! Come on out!
- Just a friendly reminder! If you're waiting for a bus pass or canteen card, you can pick it up at Mrs. Jinda's window **before school, at lunch, or after school.**
