Good Morning, Bonjour, Buenos Dias and Gilakas'La Carihi

Grade 12 senior science students, still looking to go to **playland**? A few spots are still open, and participants looking to get a t-shirt, please tell Mr. Deagle your information this week.

Student Vote

A federal election has been called and Canadians will be going to the polls on **April 28th**. You may not be old enough to cast a vote just yet, but you can still make your voice heard. Carihi will be participating in the Student Vote, so you will have a chance to vote for your favourite candidate and have your voice heard. Come by the Learning Commons to learn more about the different parties and candidates running in our riding of North Island – Powell River.

Candidate Meet and Greets

As part of the Student Vote, we have invited candidates from our riding to the school so students can meet them, learn more about their platforms, and ask questions. Our next Meet and Greet will be with Jennifer Lash from the Liberal Party **today**, and Aaron Gunn from the Conservative Party on **Thursday, April 17th**. All events will happen at lunch in the Learning Commons. Cookies and tea will be served. Bring your lunch and bring your questions.

Are you looking for a cheap snack at break? **Carihi Convenience** is open to serve you. We are located outside the office on Day 2 during the morning and afternoon breaks.
