UBC Geering Up Engineering Outreach

Indigenous STEM Communications Internship

Terms of Appointment
Part-Time: July 2nd, 2025 through to August 29th, 2025

Wage
$18.47 per hour at 15 hours/week. To be paid out according to the calendar set by UBC payroll

Why Join Geering Up

- Connect with students who have university experience & a network of Indigenous students

- Training on topics such as classroom management, working with youth with exceptionalities, utilizing educational technology and more

- Learn about equity, diversity, and inclusion in the workplace

- Leadership & project management development opportunities

- Fun summer work experience

Come work with Geering Up

UBC Geering Up Engineering Outreach is a non-profit organization dedicated to engaging the children and youth of British Columbia in STEM (Science, Technology, Engineering and Math) through fun, innovative, and hands-on experiments and projects. This internship is intended for Indigenous high school students in grades 11-12 (and recent graduates). Find more information about our programs by scanning the QR code below

What you will learn:

- Graphic design, web design and content creation
- Tools and techniques for digital and visual communication
- Familiarity with running social media platforms (e.g., Facebook, Instagram, YouTube, Twitter) and creating engaging content.
- A creative eye for design, photography, and/or videography
- Planning, project management. organizational, multi-tasking, and self-directed work skills

Your role:

- Assist in the organization and creation of promotional material for online platforms
- Develop innovative content such as b/vlogs, videos, and stories highlighting the impact and fun of Geering Up's programs.
- Work alongside Communications team to:
  - Maintain ongoing team projects
  - Manage/support small-scale projects from ideation to completion.

How to Apply
Application form can be found on our website:
www.geeringup.apsc.ubc.ca/staff/
Indigenous Gr. 11-12 students (and recent grads) are encouraged to apply
