PRINCIPAL'S MESSAGE

As the weather gets warmer and sunnier, our classes try to spend more and more time in the outdoors. Spring break is now behind us, and we are heading into the last stretch of the school year.

Our grade 5's will be starting their transition to middle school which include virtual visits as well as in-person visits to familiarize themselves with Ecole Phoenix Middle School as well as to get to know their staff.

We are also looking forward to getting to know our incoming kindergarten families. On May 19, we will be hosting our Welcome to Kindergarten event from 1:15pm-2:15pm.

This month, the students are presenting their "art oratoire" in class. The younger grades are working on presenting poems, while the older grades are writing speeches. Please help support your child with this presentation by providing opportunities to practice aloud at home.

Thank you to PAC for funding our grade 2/3 swimming lessons which will take place in May. We would love to see more involvement in the PAC and we encourage parents to join us at our next meeting on May 11 at 7pm via Zoom.

As we start to get ready for the end of the year, please let us know if you are planning on moving. As we are a small school, small changes can have a big impact on our school configuration.

Warm Regards,
Nancy Hwang

COVID Rapid Antigen Tests

The Ministry of Education has provided one box of five COVID Rapid tests for each student.

They are available for pick up through the office.

A signature from a parent/guardian is required.

Merci!

ARE YOU MOVING OR CHANGING SCHOOLS?

If you are planning on moving or changing schools for next year, please let us know as soon as possible.

We are already looking at class configurations for the next school year and this information is very helpful.

Merci!

PARENT VOLUNTEERS

Parent/guardian volunteers are now permitted to accompany classrooms on fieldtrips (at the discretion of the teacher). There are certain documents the office requires prior to being able to volunteer:

- 1) Criminal Record Check ~ This form is required for any person accompanying students on a fieldtrip. Please obtain form at the office . Valid for three years
- 2) Driver Information Form ~ Should teachers have the need for parent drivers, the following information is needed:
 - Driver Info Form (Avail at Office) Valid for one year
 - Photocopy of Driver's License
 - Driver's Abstract (Obtain online: www.icbc.com) Please have it emailed to edm@sd72.bc.ca

It is always helpful to have these documents in the office in case you need them.

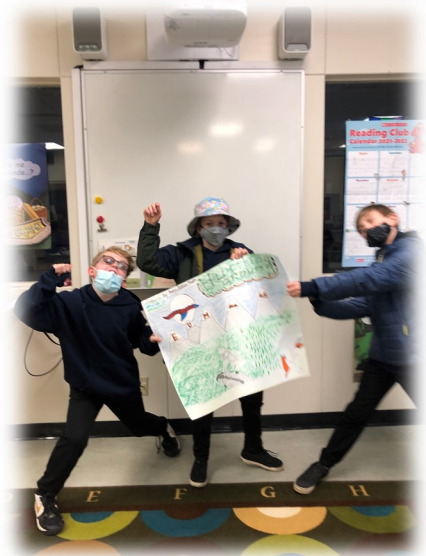

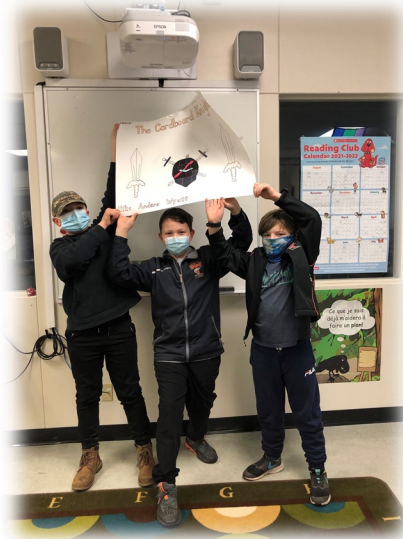

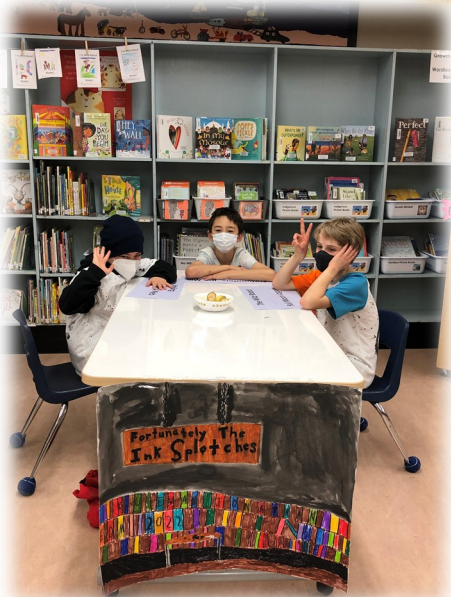

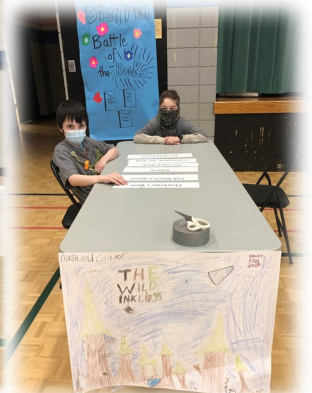

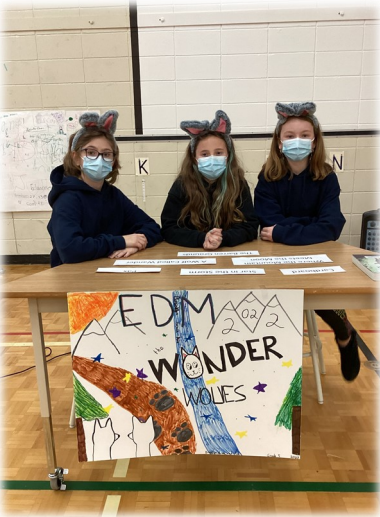

BATTLE OF THE BOOKS

Thank you to everyone who participated in the Battle of the Books during the fall and winter terms this year. We had a very successful Battle season with three teams from our school moving on to represent our zone in the district battle on March 8th! Congratulations to The Power Sharks (Lincoln G., Charlie L., Noah L.) The Wild Inklings (Connor A. Nash S.) and The Cardboard Knights (Wyatt S., Anders N. Niko F.) for making it so far in the competition and representing EDM so well!

Also, a big congratulations to everyone who participated and took on this challenge! Well done! We had a small celebration just before spring break with everyone who participated.

What's going on in the Classroom

Mme Dallaire, the district's French Language coordinator, was a guest in Mme LeCheminant's class to talk about the provincial goals and purpose of the French Immersion program. This project highlights some of the advantages of learning French.

SPRING INTO SPRING

Island Health recognizes the importance of daily physical activity. Are your children getting 60 minutes of physical activity a day?

"Together, we can make active travel, like walking, cycling, or taking transit, part of our school routine - for the good of our physical and mental health and our communities."

~ Dr. Murray Fyfe, Medical Health Officer, Island Health

Spring is a great time to think about walking or wheeling to school. What a wonderful way to enjoy the smells and sights of spring!

- Active travel to and from school helps children and youth meet the goal of at least 60 minutes per day of moderate to vigorous physical activity. It also helps build life-long healthy habits.
- It's a great time to think about forming new habits. Only 9% of Canadian kids aged 5 to 17 get the 60 minutes of heart-pumping activity they need each day (2016 [Participation Report Card](#)).
- Talk with parents about getting kids walking and cycling together.
- For younger children, physical literacy skills such as balancing, hopping and jumping can be developed on the walk to school.
