**Start:**

7:35pm

**Introductions:**

**Special Guest:**

There was not a special guest this month, we are hoping to have either the forestry program or applied sciences visit us in March.

**Review of Past Minutes:**

Minutes were reviewed and accepted by Sally and seconded by Anne.

**Treasurer's Report:**

A detailed report was given to all in attendance and will be attached to this report.

- There are seven scholarships from 2014 that have been left unclaimed.

**Principal's Report:**

A detailed report was given to all in attendance and will be attached to this report.

There are new logo and signage in the theatre and gym.

**Vice Principal's Report:**

A detailed report was given to all in attendance and will be attached to this report.

**DPAC Report:**

Some forestry program students came to make a presentation and concern was raised by a Phoenix parent as to the time of automatic call when a child misses school. The call goes out around 6:00 due to it not bogging down the system, SD72 is going to look sending the message out sooner, if it is at all possible.

**Grad Report:**

There was a grad assembly last week to try and encourage the kids to be more involved in their grad year end. Some outings may be planned including bowling.

There is an upcoming woodcut March 7th and 21st from 10-4.

Ongoing fundraisers: Purdy's Chocolates, Aroma Coffee, and Bottle Depot

They will be looking for volunteers (Grade 11 parents and students) to help work the grad and prom, please contact Jane Kolmatycki if you would like to help out.

Grad pics have been taken.

**Old Business:**

There was no old business.

**New Business:**

There is a europe trip in March of next year, please see Mr, Cassidy asap, if you are interested.

**Next Meeting:** March 23rd at 7 PM Meeting adjourned at 8:15PM
