Correspondence: Trish has been away, not much to report just some fundraising mail

Principals Report was provided by Graeme Boyd

Kids enjoyed the hoop performance. Next performance is a masked performance March 6th.

Kindergarten registration shows 23 kids signed up to date. Looks like 7 divisions again next school year.

OLD BUSINESS

-Dance update

DJ is booked, sign-up sheets almost full. Everything seems organized.

Tami and Aren will look into glow sticks.

-Spring Fundraiser

Deanna will organize spring plant fundraiser with Hilltop Nursery. More info to follow

Possibly renewable resources fertilizer alongside.

NEW BUSINESS

-Potluck Lunch

The next potluck will be Thursday April 23

-Hot lunch/Facebook Discussion

Admins will delete negative/ rude comments. If a parent has a P.A.C related issue they should email or call as our facebook page is an information only facebook page.

Leslie said that 2 recent hot lunches were not actually part of the 'hot lunch' program. They were impromptu lunches put together by P.A.C members. \$2 per slice of pizza is the average in our district. The extra funds raised at these type of impromptu lunches covers our \$400 hot lunch program fee, condiments, napkins and the few families we comp these lunches to. It was also noted that we are now buying a higher quality wiener product.

-Future Fundraising

Brief discussion about future fundraising for specific items such as a new playground, library renovation.

Starting to save for a future playground would be a good idea as there is a good chance part of it needs replacing in the coming years

Meeting adjourned at 7:50

Next Meeting: Monday, March 16 2015 6:30pm
