A report was given to all in attendance and will be attached,

In addition, next year is our 50th anniversary of the first graduating class from Carihi, we are starting to plan some fundraisers that will not only celebrate this event, but also allow us to leave a legacy. Stay tuned for more details to come.

We are down 10-15 kids for enrolment for next year, we are tight for staffing next year, so there will not be a lot of moving for kids next year.
