**Principal's Report**

During the last month our staff have been sending home the CSL information to families on at least 2 topics. This is leading up to the interview day on November 19. We will be implementing an on line sign up for a number of classes to help simplify the process.

For September we recognized respectful behaviour at an assembly for all our classes. A number of students from each class were presented with certificates for acts they were observed by staff taking part in. For October we are celebrating generosity and will hold the assembly during the 2nd week of november.

Xmas concert on track for dec. 3

**NEW BUSINESS:**

Hot Lunch Update: Samantha says its going well, only about 4 kids to change their home rooms
