*Last school year our various fundraisers brought in over \$10,000. We were happy to increase the discretionary funds each teacher received this school year to use on their students. The money re raised will also purchase various school rescources and supplies for the music room, library and sensory room.*

*We were pleased to also fund upcoming cultural events and lessons in the school.*

*Come out to a meeting, learn about upcoming events, fundraisers and get informed.*

*Help out a little or alot! Every little bit and every idea helps!*
