Violet brought a copy of the October 19th meeting minutes and I will attach them, THANK YOU! One thing to add, the district has agreed to pay for two parents from each school to take food safe, talk to Violet if you would like to take advantage of this.

Violet attended a meeting with the Minister and Deputy of Education concerning the changes that will be taking place over the next few years. She will be receiving a basic transcript of the meeting and will share it with us when she does.

At the moment, the grads are selling salmon, poinsettias, and Purdy's chocolates.
