OPTIONS AND OPPORTUNITIES

By: Jeff Lontayao jeff.lontayao@sd72.bc.ca

If you know of any students that are interested in gaining skills and certifications for employment in the tourism and hospitality industry, contact your school counsellor and/or Jeff Lontayao for more information.

As our province moves forward with its reopening plan, the hospitality sector is faced with the challenge of a dwindling and reluctant workforce. It is anticipated that the local tourism and hospitality sector, in particular restaurants and hotels, will be facing a challenge to lure workers and fill vacancies in time for the sector's high season.

THE OPPORTUNITY

School District #72, the Campbell River Chamber of Commerce, and the local tourism and hospitality operators will partner and link resources to offer young people a stronger, more meaningful practical education, which will support them in their transition into a career pathway in the tourism and hospitality industry, and in turn, help the industry with the labour supply shortage.

CELEBRATING CULTURAL DIVERSITY AND INCLUSION FOR THE HOLIDAYS

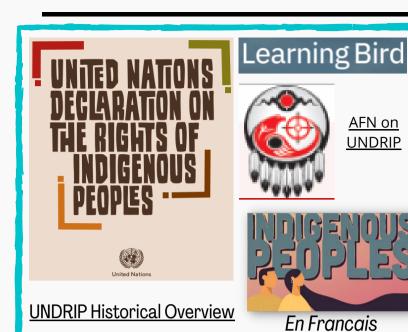

December is often filled with fun winter activities for our students. As our classrooms become more culturally diverse, it's important to remember that you may have students who celebrate other holidays and traditions besides Christmas. Or who may not celebrate any holiday at all. By acknowledging this diversity in your classroom means that you could include and celebrate ALL of the wonderful things your students love about this time of year.

Find below ideas for celebrating the diversity of your students: • 10 Ways to Celebrate Diversity during the Holidays LEARN MORE

Word Wall

Try a Word Wall to support your writers as they become more independent and accurate. Look for words that students need to use in their writing.

Choose 5-7 words to introduce each week.

Use your Word Wall as a Read Around the Room, Writing the

Word Wall, or other fun learning centre.

RECOMMEND AN APP FOR THAT

Are you looking for a good app (program) to use with your class? We have started looking at apps that have been recommended by teachers. If you know of an app that isn't on THE LIST, please let us know so that we can add it. Just click HERE to fill out the form for us to do so. It is super important that if you are using apps, especially those in which you input personal information about our students that you follow the proper protocol. Please click HERE to learn more about this

The document on the left will help clarify some questions around consent and app use.

NATIONAL DAY OF REMEMBRANCE AND ACTION ON VOILENCE AGAINST WOMEN

On December 6, we observe the National Day of Remembrance and Action on Violence Against Women. The day was established by the Parliament of Canada in 1991 to mark the anniversary of the 1989 murders of 14 women at l'École Polytechnique de Montréal, who were killed because of their gender. We come together to remember the victims, while also reflecting on the woman, girls, LGBTQI2S and gender diverse individuals for whom gender-based violence continues to be a daily reality.
