Dear École Willow Point Families,

While a well-deserved break is approaching, there is still so much meaningful learning and so many exciting events happening throughout our school community.

We are looking forward to celebrating Carnaval de Québec school-wide from March 16-20. Our week will be filled with Carnaval spirit and pride. Please remember to send your child's sash back to school so we can show them off proudly on Monday, March 16 as we kick off our celebration together. Everyone is encouraged to take part in the PAC Pancake Breakfast before school on Thursday, March 19. It is a fantastic way to connect as a community and start the day with smiles and delicious food.

We are also thrilled to once again participate in Manie Musicale! This international music tournament highlights French-language artists from around the world and students everywhere take part by voting for their favourites. The excitement is already building in classrooms. We encourage families to start listening to the songs at home and make your own predictions together. What an exciting way to celebrate French language and culture even at home!

Our talented Grade 4/5 Choir proudly represented our school at the District Music Showcase on Thursday, March 5 at Timberline Secondary School. We are so proud of their dedication, and it was a pleasure to see the choir shining on stage.

Take note that report cards will be sent home on March 19. We are also looking ahead to our Student-Led Conferences on April 30, when students will have the opportunity to share and celebrate their learning with you. Teachers will be sending further details and scheduling information after the break.

Our Grade 5 students are enthusiastically preparing for their Entrepreneur Fair on Thursday, April 16. Their creativity, innovation, and leadership are already impressive and we look forward to seeing their ideas come to life.

Over the next couple of months, you may also notice your child working on a poem or speech for Les Paroles Puissantes. This powerful learning experience helps students build confidence and find their voice *en français*, and we are excited to hear their inspiring presentations.

We are heading into an exciting and enriching spring season filled with celebration, creativity, and growth. Thank you for your continued support and involvement. It truly makes a difference for our students every day.

Sincerely,

Carrie La Pierre & Nancy Hwang

Who will be this year's Manie-Musicale winner?

We encourage you to listen to the songs and discuss them with your family. You can find the playlists on Spotify, Apple Music and YouTube. Can you guess the winner?
