## Report to P.A.C. for November

November 20, 2023

### **Reflections:**

Report Cards for quarter one go home at the end of this week. The new reporting order from the ministry has impacted assessment and reporting in our building, and staff have been preparing reports aligned with the new reporting order. As I have reviewed report cards, I am impressed not only with the progress of students, but the personalized comments to each student, reflecting what students have learned to date.

Recently, Carihi has been represented at Provincials in Cross Country and Swimming, with athletes showing great results. Boys Soccer and Volleyball teams also made the Island tournaments. Basketball and Wrestling have now started up their practice schedules.

Over the next two weeks we have a couple of special events. On Wednesday, we will host our first Wellness fair on Wednesday afternoon. We have guests including Youth Clinic, Youth outreach from Hospice, Art Association, NIEFS, Foundry, LKT Health, Dietician, Sasamans, therapy dogs from St John Ambulance, the local Fly tying club, our school clubs on showcase and more.

Thursday through Saturday, Carihi cohosts the North Island Regional Drama Festival with Timberline. Schools from around the North Island will participate in the festival.

Finally, the Carihi Interact Club will host a "Love for Libya" Benefit Concert on Wednesday, November 29<sup>th</sup>. At the concert there will be musical performances from Carihi students, a bake sale and a silent auction. All proceeds will go to support the victims of the recent devastating flooding.
