We hope everyone had a healthy mix of rest and adventure over the break. We were excited to see smiling faces back at school. We have entered the busiest time of the year, as spring gives so many amazing learning opportunities.

Please keep an eye on the school calendar, as well as email. We keep current activities posted. The calendar is on our website and events also post on our Facebook site.

Looking for Kindergarten students for Sept. 2026!

We are way under our projected number of kindergarten registrations so far. We are planning for next year and we can only plan for who is currently registered.

If you have friends with 4 or 5 year olds, ask them if their child is registered for kindergarten. If not, please encourage them to come in

Student Learning Conferences

- Thursday, April 30—students attend for their conference time only.
- Registration will open at 9:00 am on April 15th.
- Teachers will notify you if they are not using the online registration system.
- A “How to” register will be sent out on Monday or Tuesday (April 13 or 14th)
