

Beyond Beautiful Smiles

Beyond Beautiful Smiles Healthcare Bursary

Dr. Seebach and the team at Beyond Beautiful Smiles have always taken an enthusiastic interest in our community. We believe in investing in local talent to help Campbell River students get the education and training they need to be able to work and live in Campbell River if they so choose. We aim to promote and advance the field of dentistry while giving back to our community. This bursary was created for this purpose.

Winners of this bursary will show an interest community and aim to pursue a career in the health sciences, especially dentistry. **Please submit to School Counsellor no later than April 30th.**

Bursary Criteria:

1. Student must complete their Dogwood diploma but the end of <year> from a Campbell River school.
2. Student is pursuing a career in the health sciences, particularly Dentistry, Dental Hygiene, Dental Assisting or Dental Lab Technician.
3. Student must be attending an accredited post-secondary program
4. Student will submit a letter introducing themselves and outlining their plans.
