

BURSARY APPLICATION CAMPBELL RIVER FESTIVAL OF FILM

The Campbell River Festival of Film (CRFF) is pleased to offer a bursary to both Carihi and Timberline Grade 12 students who have exhibited exceptional skills in multi-media studies, and who are pursuing further studies in any aspect of multi-media.

CRFF is a volunteer organization bringing unique, independent films to Campbell River during the fall and winter seasons. We are associated with the Film Circuit division of the Toronto International Film Festival. The films we screen include highly acclaimed, award-winning productions as well as less widely distributed but inciteful films that would otherwise not be available to the Campbell River audience.

With local community support, proceeds from CRFF are used to give back to the arts community, including our local young filmmakers.

To apply please provide the following:

1. A covering letter including:
 - a brief introduction/bio
 - a description of your work in media during high school, and
 - a description of your future educational and career plans in media.
2. A recent sample of your work or projects you have been involved with.

A panel will review all submissions, and selected applicants will be awarded a minimum bursary of \$500.00.

Please make your submissions to Lise May at camrivff@gmail.com. **All submissions are due on the 15th of May 2026.**
