

Happy May Tyee Families,

It is one month until prom. As I'm sure most of you have noticed we have been fundraising and planning since September. We hope to make this a memorable night for our kids as they end their high school careers and move forward into adulthood.

In order to make this the best night ever we need everyone's help with a few things.

Donations for prizes: Please see attached letter and circulate it to any businesses you frequent, work for or have connections to. Wouldn't it be amazing if every grad won a door prize of some sort. If you collect the donation yourself please bring it to the school office. Alternatively, as stated in the letter, you or the donor can contact Victoria Merwin and she will arrange to have the donation picked up and stored.

Here is a link to our tracking sheet where you can record what has been donated:
Donation Tracking Sheet

Volunteer sign up: Unfortunately we will not gain access to the hall until 6:00pm on Friday. That means that our set up and decorating will need to happen on Friday night and Saturday morning in a shorter time span than would normally be expected for this. Please click on the link below and sign up for what you can help with. We will need as many people as we can for set up on Friday night and Saturday morning. I have included a place for a contact number. If for some reason we need to get a hold of you day of this will come in handy, particularly if we finish early and want to let you know that we are all clear.

Volunteer Sign Up Sheet

If you are volunteering for a job during the event please plan to dress accordingly for both the weather and the event. The theme is "**Old Hollywood**". If you are working a Casino job please wear black pants, black dress shorts or a black skirt and a white button down shirt.

Prom Tickets: Tickets for Prom should be available for sale at the beginning of next week and will be \$20 per student, available at the office. In order to attend prom each student will be required to complete and hand in a permission slip. These were made available this past week at school and are available for pickup outside the office. They are printed on pink paper so should be easy for your kids to find. Tickets are only available to Carihi 2026 grads; we are not able to offer them to people not in the grad class, whether they are the romantic partner from a different school, a past graduate, or a lower grade.

Our next grad parent/prom planning meeting will be held **May 13 at 6:30 at Carihi in the Learning Commons library.**

We hope to see you all soon.

Thank you,
Carihi Class of 2026 Grad Parent Committee
