

The Campbell River Italian Cultural Society bursary

The Campbell River Italian Cultural Society is offering two bursaries of \$500 each to students who are beginning or continuing their studies at a post-secondary institution in September following their graduation from high school. Students with Italian cultural heritage or who embark on studies furthering the Italian culture or international relations will be given consideration.

Criteria

Students must complete their Dogwood diploma by the end of the current school year, with plans to attend a post-secondary institution such as university, college, technical or arts school in September.

Consideration will be given to students planning to study Italian culture or international relations and to those with Italian cultural heritage.

Your application should outline the reasons why you feel you qualify for the bursary. Use personal character, social and/or environmental responsibility and academic standing to support your application.

Application format

Write a short essay describing how you meet the bursary criteria and how you will use the bursary if it is awarded to you.

Your application should outline the reasons why you feel you qualify for the bursary. Use personal character, social and/or environmental responsibility and academic standing to support your application. Include a description of your educational and career plans.

Be sure to include full contact information on your submission including: name, home address, email address and phone number.

Deadline

Completed application forms must be received by the CR Italian Cultural Society by May 17, 2024. Address your application to:
