

Technology in Early Childhood

Parents Partnering **WITH** Technology

Technology is here to stay and as a parent there is an overwhelming amount of information about how technology impacts children and what parents should and should not do. Join us and learn how we can **use technology to support** our parenting and our children's development, how to reduce tantrums around tech use, and explore the different types of media and their impact on children.

When: Tuesday November 25th 2025
5:30 PM – 7:00 PM

Where: Virtual via ZOOM

Who is this for: This seminar will focus on
children ages 2-6
