Understanding that Self-Directed Pro D has a valuable role to play in the full complement of an educator's professional development and that educators have a professional responsibility to plan for their Self-Directed Pro D.

Principles of Professional Development in School District 72 are:

Professional Development:

- Must be connected to and support student learning, wellness and achievement.
- Is a professional responsibility that includes teacher choice in activities guided by personal growth, school goals and the district strategic plan.
- Promotes a commitment to the development and enhancement of professional knowledge and skills that are connected to one's role as an educator.
- Encourages and supports teachers working together to reflect on their practice.
