Reflections:

Fire Update

From April 1st:

- Demolition of original area nearing completion
- Structural engineer was on site this week
- Damage to area now means that universal bathrooms, gym wall, and at least ten feet past the gym wall must be removed. This will occur outside of school hours and on the weekend.
- The gym wall will have a staggered demo and construction
- There may be portable washrooms on site in the near future. Confirming location and security. Updates to some current washrooms are also possible, rather than portable washrooms.

From April 8th:

- Geo-technical work and building permits are being done for the arrival of the portables

Term three has now closed and we look at the final quarter of the school year! Teachers are currently working on report cards, and report cards will go home on May 1st.

We have been fortunate to have booked all four candidates running in our riding in the upcoming election to come to speak at lunch to students. The first session was well attended last week, and I am sure the remaining candidates will see similar response from students.

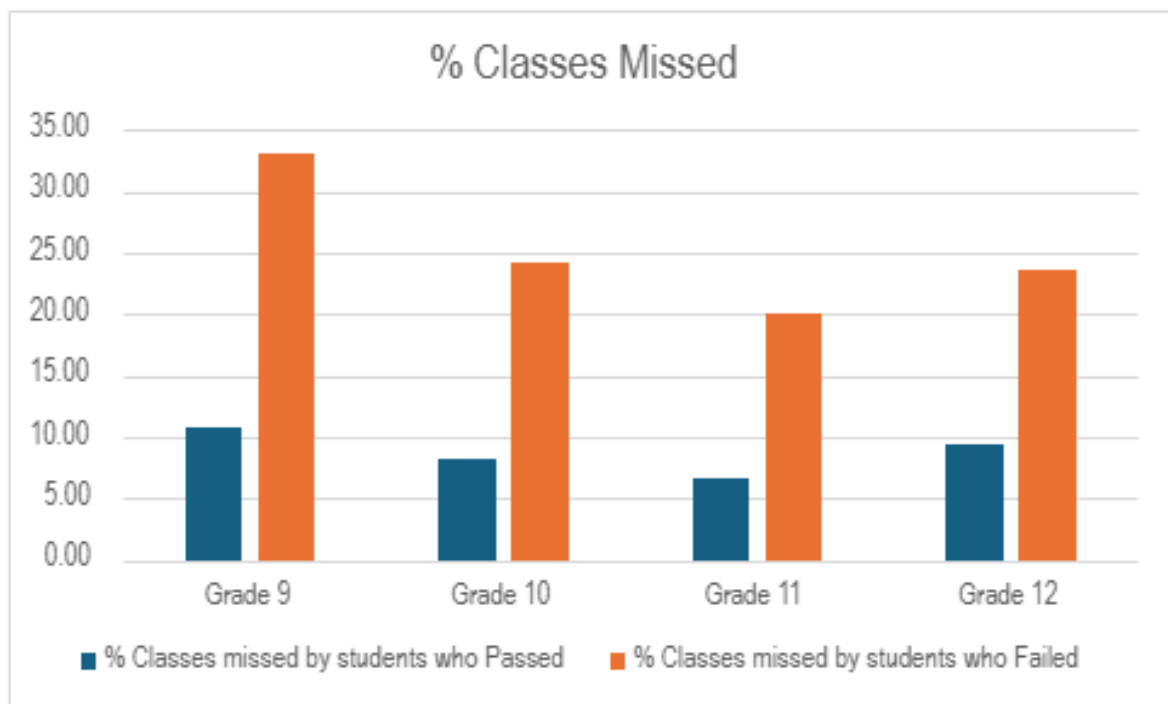

The Musical Showcase, from the Smoke to the Spotlight opens tomorrow evening at the Tidemark Theatre. The Tidemark's generosity in allowing us three nights to perform is the good news community story we all need. There are still tickets available if you are interested.

Big events next month we have our Pep Rally and Caripalooza, our famous talent show. These events, typically held in our gym will be outdoor events. We are looking forward to celebrating our talented students!

Student Attendance and Achievement

We have always been aware that attendance and achievement are directly correlated. I pulled some data from the first semester that indicates this.

Grade	% Classes missed by students who Passed	% Classes missed by students who Failed	Overall % Class Missed by all students	Based on # Transcripts
Grade 9	10.79	33.13	13.85	1152
Grade 10	8.22	24.18	9.32	1090
Grade 11	6.66	20.10	7.74	992
Grade 12	9.38	23.63	10.28	713

The three goals of the 2024-28 Strategic Plan are:

1. Honouring Indigenous World Views and Perspectives
2. Student Centered Learning Environments
3. Evolving for Tomorrow
