## Principals Report to P.A.C. for November

November 18, 2024

### **Reflections:**

We are officially past the mid-way mark for our first semester and term one report cards are scheduled to go home tomorrow. When meeting with Student Advisory today, every student said they are happy to be in the semester system. This is a small subsection of the student body, and more feedback from students is needed.

As a staff we have begun to look at school values at Carihi. This process is very valuable as awareness of our values drives our actions. As principal, I would like to hear from parents about their idea of school values and will look for student input as well.

Along with reviewing values, we have started to update Carihi's Student Achievement Plan. The plan will align with the district's Strategic Plan and will be in place until 2028, with annual updates. (share some draft documents) We are also working with Cale Birk, an educational consultant, on acting on the Student Achievement Plan.

In other updates, Our Carihi Aquatics Team competed at the provincials over the weekend. Cross Country also made the provincials last month, where the junior boys team placed third in the province. This weekend our Junior Girls Volleyball team travel to the mainland to compete in their provincials. Go Tyees!

The three goals of the 2024-28 Strategic Plan are:

1. Honouring Indigenous World Views and Perspectives
2. Student Centered Learning Environments
3. Evolving for Tomorrow
