

GUESS THE BC ANIMAL

PURPOSE / SKILL: Build reading and writing skills while researching factual information about the wild animals of British Columbia

MATERIALS: Books about BC Animals or Internet, a printout of the handout in this outline

INSTRUCTIONS: You will be creating a booklet about 9 animals of B.C. For each animal you will be drawing a picture and writing three facts. Be sure to include details in your picture to show the animal's habitat.

STEP ONE: Look at books or websites about animals of British Columbia. www.kiddle.com is a great "kid-friendly" search engine.

STEP TWO: Choose your first animal. Carefully draw your animal. Be sure to include background detail to show the habitat.

STEP THREE: Print out three interesting facts about your animal. Use a capital and period.

STEP FOUR: Repeat for each animal.

STEP FIVE: SHARE!! Read your book out loud to at least 3 other people. You may want to record a video of sharing and send it to someone special.

MORE CHALLENGE: Once finished, turn your project into a PowerPoint presentation. Login to your student account at www.office.com
