EDM HOT LUNCH

We would first like to welcome the new students who are starting at EDM this year as well as a welcome back to all returning students. Together this year Jenn Menard and Erickia McNair will be the Hot Lunch coordinators. We are happy to announce that our first Hot Lunch will take place on Thursday, October 10th! As with previous years our hot lunch ordering will be done online. You order and pay online as well as receive emails reminding you what you ordered for your child. If you were a part of the hot lunch program last year your account is still active, you will be prompted to change your child's grade and teacher when you sign on. Please double check this information. All new EDM parents will need to register an account online using the link below:

<https://munchalunch.com/schools/deuxmondes>

Returning parents register here:

<https://munchalunch.com/login>

All payments need to be made within one hour of ordering, if not unfortunately the ordering system will delete your child's order. Munchalunch accepts Credit Cards as well as Debit/Visa Cards and Debit/Mastercard's (we cannot process regular debit cards). At EDM we would like Hot Lunch to be an option for all students but understand the costs of living sometimes make this difficult. Our PAC offers a confidential PAC PAY option. If this would benefit your child please reach out to your child's teacher, our Principle Louise, our secretary Karry or through us directly at **edmhotlunch@gmail.com** so we can set this option up for your child. If you require PAC PAY please get in touch with your chosen contact before the ordering session closes.

Hot Lunch ordering will be set up into 8 week sessions and will be open for a set amount of time (usually 5 or 6 days) once closed you will no longer be able to order. You must order for the full session but are able to skip dates within the session.

The first session will be open starting Friday September 27th and will close on October 3rd.

****Just a quick note, if you need any information regarding food ingredients for allergy restrictions please email us. We do not give students the option to alter their order unless it's an allergy, then we will try our best to accommodate!**

Jenn Menard and Erickia McNair
EDM Hot Lunch Coordinators
