

Irene Cooper Trust

ASSISTING THE ANIMAL
CARETAKERS OF OUR FUTURE.

About The Trust

The Trust was set up for longtime Pender Island resident and animal enthusiast, Irene Cooper. Perched on the cliffs overlooking the ocean on the Pender Island Bluff Ridge, Irene had a spectacular view of the southwest coast with bald Eagles nesting right outside her kitchen window.

As a testament to her wishes, the trust has been set up to help assist students who wish to pursue training and education in the field of veterinary medicine or treatment in Canada.

While veterinary medicine and animal care is the priority, this trust is also available for students of the conventional medical field.
