JUNE UPDATE 2022

I'm almost sad that this is the last newsletter of the school year. Summer is upon us, the sun has finally come out of hiding, and in the last few months it has been as if the school itself has bloomed. In that time, we have been finishing up projects, going on field trips, having special presentations and even the occasional water fight. It has been amazing to see students walking around the building and hardly recognizing them because they have grown and matured so much, that they look like different people.

While we spend a significant amount of time with your children, there is no substitute for the hours of amazing quality time that they spend with you, their families. This summer many of you will have the opportunity to do many things that have been closed off for the last two and a half years. Whether it is something as simple as travelling to see family, or something as complex as heading to another country, we hope that you enjoy your time together and have many amazing adventures to tell us about when we gather together again in September.

In the coming fall Mrs. Soutar will continue to be on leave and we are excited to welcome Ms. Louise Panziera as our new Principal. Ms. Panziera comes to us from Carihi where she has been Principal for the last several years. I, (Ms. Beres), will be returning as the Vice-Principal and will also be teaching in the classroom. I also want to thank Mr. Rob Wilson for stepping in at the last minute to fill in as Vice-Principal this spring. Mr. Wilson will also be returning in the fall as our Learning Support Teacher.

Deborah Beres, Acting Principal

**HAPPY
SUMMER
VACATION!**

Last Day of School is

Wednesday, June 29, 2022

Early Dismissal @ 10:55 am

Report cards will be given to students
to take home

Student Placement for 2022 - 2023

Educators dedicate significant time and careful thought when placing children in classes. Many factors influence these decisions.

In the effort to ensure that all students are placed in appropriately balanced classrooms, we use criteria such as age, strengths and stretches, special learning needs, gender, social groupings, and teacher recommendations.

We value the diversity and inclusion of all learners in our classrooms. Combined classes are an established part of our school and a positive place for your child to learn.

The organization of combined classes recognizes that children learn at different rates and have individual learning needs. Instructional methods, such as cooperative learning and differentiated instruction, are implemented in an effort to encourage responsible and independent learning, and to meet individual needs.

It is a continual challenge trying to return **Lost & Found** items to students.

Most items are not labelled with students' names/initials.

Lost & Found items will be outside all next week (weather permitting).

Any items not claimed from our Lost & Found by noon on Wednesday, June 29th will be collected and donated to a local charity.

September Start-Up

Grades 1 thru 5: School starts on Tuesday, September 6th. Students will come to school from **8:25 to 10:55 am** on the first day. Additional information will be emailed the week before school starts.

Kindergarten: New kindergarten students come to school for one hour on Tuesday, September 6th, between **11:00 to Noon**. Additional information will be emailed regarding the gradual transition program.

Watch the local newspapers for news about school openings and bussing. Please note times may change dependent on bussing.

Student Medications

All student medications provided to the school this year must be
PICKED UP before leaving for the summer.

We are not permitted to keep medications at the school over
the summer.

New medical information forms will be required again in September.

School Supplies for Fall 2022

We will again be purchasing classroom school supplies on behalf of all students. Teachers will place one classroom order for start-up and, after assessing needs part way through the year, will place a second order in January 2023.

Parents are asked to pay **\$40 per child** (all grades) directly online to Teacher's File, no later than August 15, 2022.

<https://teachersfile.ca/>

Please ensure you state child's first & last name, AND September grade.

Many thanks to our wonderful PAC and volunteers who have contributed their time to assist in enhancing student opportunities and activities throughout the school year. You are very much appreciated!

Thank you to Cherice who has created beautiful "Birthday Boards" all year - the students (and staff) have loved your creativity!

Centennial Outdoor Pool

SUMMER 2022
