

## **ENVIRONMENTAL RESPONSIBILITY**

## **Background**

The district is committed to fostering policies, practices and educational programs which will protect and preserve the environment.

## **Procedures**

- 1. The district will endeavour to purchase "environmentally friendly" products which will provide the highest possible level of performance.
- 2. The efficient use of energy and water will be guiding principles in all renovations, new construction and operations.
- 3. The district encourages and supports initiatives to reduce, recycle and recover waste materials in all schools and departments.
- 4. The district supports staff development initiatives designed to advance environmental awareness, environmental education and care for the environment within annual budget allocations for training and development.
- 5. Environmental education will continue to be incorporated into the content and methodology of instructional programs.
