

# SD72 PARENT HOME LEARNING LESSON

## ORAL LANGUAGE GAME- LET'S GET TALKING

**PURPOSE / SKILL:** [Dis moi tout!](#) Is a game that you can load and print to get your child speaking French.

**MATERIALS:**

- Dice
- Printed off copy of [Dis-moi tout!](#)
- Playing pieces

**INSTRUCTIONS:** Download (télécharger) and print (imprimer) a copy of the game [Dis-moi tout!](#) Your child will need someone to play with. You can play with them, a sibling can, or consider getting friends together to play. If you need support with French consider using this [toolkit](#) and [Google Translate](#) (with audio).

**ACTIVITY:** [Dis-moi tout!](#) Not only promotes the development of French oral language but it is also great for building relationships as you get to know each other even better.

**POSSIBLE NEXT STEPS:** Consider encouraging your child to say the question out loud and then answer in complete sentences.
