

## **Report to P.A.C. for April**

April 17, 2023

### **Reflections:**

In one week we begin the final quarter of the school year. Overall quarter three has gone smoothly, and there is much to celebrate. On Wednesday, our musical 'Newsies' premiers. This production involves a large number of students and staff. Our incoming grade 9s will be the first to see the show, with the dry run taking place tomorrow.

Later this week, Jessica Chickite will begin painting the Legacy Canoe. Once painting starts, the project will go quite quickly. There are still other items to be determined, such as naming the canoe, creating a permanent storage location, and preparing an event for the community to witness the presentation of the canoe.
