

Report to P.A.C. for May

May 15, 2023

Reflections:

This month started off with the return of Caripalooza. This event surpassed expectations with additional seating needed to accommodate the audience. The student groups were outstanding, and the guest appearances from staff were highlights.

Most memorable for me was the participation of the audience. They were supportive and encouraging for all groups. It was definitely a great day for the school.

Classes from around the district are coming for visits of the Legacy Canoe. We have groups of students offering presentations to these classes. Our students have taken on this endeavour with a sense of ownership. The response from classes and students has been very positive. We continue to welcome classes over the next couple of weeks as Jessica continues to paint.
