

Report to P.A.C. for November

November 21, 2022

Reflections:

- Quarter One Complete. Report cards to go home on November 23rd.
- Sr Boys and Girls Volleyball Seasons (girls placed second on the island; boys sixth or seventh)
- Sr and Jr Boys Soccer (Sr. Boys hosted North Island Tournament, and went to the Islands as well)
- Cross Country (Several runners participated at provincials)
- Swimming (Two swimmers participated in provincials)
- North Island Drama Festival a success

Lockers:

We have had a small number of parents and students come forward with inquires about lockers. I have put together a short student survey to go out about lockers. We currently do not have lockers available to students. There are several reasons for this:

- We do not have enough lockers for students
- Hallways are calmer without lockers
- Quarter system means students are responsible for fewer books/supplies
- We do not have standard, scheduled breaks (students using lockers during instructional time would be disruptive)

We do recognize that some students would benefit from lockers. Administration will determine when and how lockers may be distributed.
