Campbell River Community,

We are writing as members of the 2026 Carihi Grad Parent & Grad Committees to ask for your support for the Carihi Class of 2026 Prom. Carihi Graduates and families have been working very hard this year to ensure the Carihi Class of 2026 has an inclusive, fun, and safe space to celebrate the Graduation of approximately 230 students. The Prom evening will include dinner, music, prizes, and entertainment.

To offer financial support to our students and families, we are reaching out to local businesses who would like to donate gift cards, prizes and/or cash which would make up prizes for our graduates to win on Prom night.

We appreciate you taking the time to consider this request and look forward to hearing from you! Please contact Victoria Merwin at [victoria.merwin@sd72.bc.ca](mailto:victoria.merwin@sd72.bc.ca) by May 31st, 2026, and we will be happy to arrange for pick-up of your donation, or you can drop-off at Carihi School. Please let office staff know it is for the Grad Prom prizes.

Thank you for your support.
