

# SD72 PARENT HOME LEARNING LESSON

## READING COMPREHENSION AND REFLECTION

**PURPOSE / SKILL:** To gain proficiency as a reader for thinking about reading. This lesson gives students opportunities to make connections, ask questions, visualize, and draw inferences as they make meaning and engage in what they are reading.

**MATERIALS:** A printed or digital copy of the spinner below, a paper clip, pencil, French reading material of your choice. This could be a French book from the library or even a resource from the list of digital resources located on the website.

**INSTRUCTIONS AND ACTIVITY:** Print a copy of Tourner un indice, located below or simply read the digital copy. Place a paper clip in the middle of the circle under your pencil. Turn the paper clip and answer whatever it falls on. Or pick a category of your choice, have a discussion, or consider journaling your thoughts.

**POSSIBLE NEXT STEPS:** Consider doing this with a partner to have a rich discussion and practice your oral French.
