

SD72 PARENT HOME LEARNING LESSON

READING REFLECTION FICTIONAL TEXT

L'eau de la terre

PURPOSE / SKILL: Student reads or listens to the online text provided by [Il était une histoire](#), L'eau de la terre, to work on comprehension by learning how to summarize a story while reflecting on the main characters, their purpose and the problem of the story.

MATERIALS: Digital copy of [L'eau de terre](#), and Reading Reflection of Fictional Text Worksheet.

INSTRUCTIONS/ ACTIVITY Click on [L'eau de terre](#) and download a copy of the book, read and or listen to the digital book online, reflect, and complete a summary of the book by completing the Reading Reflection Fictional Text worksheets. In the first section, write who the characters are. In the next section indicate what is going on with the main character and what their problem might be. Then reflect, how did the main character solve the problem and indicate what the solution was. In the second worksheet summarize the story and the final worksheet provides a more scaffolded way of providing a summary.

POSSIBLE NEXT STEPS: There are many digital books available on the same platform, [Il était une histoire](#), consider picking a different text of your choice and completing the same reflection sheet. Consider writing a short fictional story by filling in the worksheets with invented story.
