### **Major Scholarship Descriptions:**

#### **Community Service Excellence Scholarship**

The Community Service Excellence Scholarship winner will be a student who has volunteered in the Campbell River Community to make a difference. Other forms of Service such as leadership experiences in school, international service, as well as connection to a Campbell River Rotary Club, will be considered when making our selection.

#### **John Hayes Service Above Self Memorial Scholarship**

John Hayes was a long serving member of the Daybreak Rotary Club of Campbell River. He was a quiet and humble man who helped others without expectation of favour or attention. He worked tirelessly through service to Rotary International and our local community by way of generous donation of his time and resources to provide service to others and promote integrity. The "John Hayes Service Above Self Memorial Scholarship" will recognize a student who has and continues to demonstrate exemplary humanitarian service in their school and/or community activities with an emphasis on personal volunteer efforts and active involvement in helping others. The student by their action exemplifies the Rotary model of "Service Above Self" through his or her contributions to the community and future potential to further the Rotary mission.
