

Campbell River Daybreak Rotary Club
Trades Bursary Package

Information for Students, Principals, Teachers, and School Counselors

- Enclosed is our two-page Campbell River Daybreak Rotary Trades Bursary Application. Please print and copy as many application forms as needed.
- All students who will be graduating from a Campbell River area high school in the 2024 school year are encouraged to apply if they are heading on to British Columbia Post-Secondary Trades Institution or are currently taking a Dual Track Trades program through NIC.
- These bursaries are based on your program, your essay and your letter(s) of recommendation. Rotary is a Service Club so if you have any volunteer service please include it in your application. *The requested transcript provides the committee with a sense of course choices / commitment to school.*
- If you are shortlisted for a bursary there will be an expectation that you complete a ZOOM or in-person interview with members of the Daybreak Rotary Scholarship/Bursary Committee.
- All students are also invited to apply for a Daybreak Rotary Service Scholarship as well, see your counselor for more information.
- **Applications must be completed and picked up by 2:00 p.m. APRIL 8th, 2024 from the school's counselling center.**

If you have any questions, please contact Shawn Cowan at sstcowan@shaw.ca
