

School Supplies for 2026-27 School Year

\$40 per student

May 8, 2026

Dear parents,

Rather than having families responsible for purchasing their own supplies, we are asking every student to pay \$40 to EDM for the school to provide them. The reason for this is so that the supplies are of good quality, every child will have the same items, and teachers can tailor the supplies to meet their individual needs according to the program they offer in their classrooms. We are also able to buy items in bulk to get a better deal. This means that parents are getting the best prices and it saves them from having to run around to find specific items.

Our preferred form of payment would be by etransfer to: ecole.deuxmondes@sd72.bc.ca . Please be sure to include your child's/children's name(s) and the words SCHOOL SUPPLIES in the notes section of the transfer. Please be advised that a password is not required for this transaction.

If you prefer, we can also accept cheques or cash. Please bring payment to our administrative assistant, Karry, if you choose this form of payment.

If you are unable to pay for supplies due to any unforeseen circumstances, please talk to your child's teacher or to the principal. We will endeavor to help you the best we can.

Thank you,
Ecole des Deux Mondes Staff
