SNAKES AND LADDERS READING FRENCH SIGHT WORDS

PURPOSE / SKILL: Students practice reading French sight words by playing Snakes and ladders with a friend or family member.

MATERIALS: Printed copy of the snakes and ladder located on the website, game pieces, dice.

INSTRUCTIONS and ACTIVITY: Start at the square DÉPART and roll the dice. Read the square that you land on. If you land on a snake, slide down and start at the square indicated. If you land on a ladder, skip ahead, and read the square that you land on. When you get to BRAVO, you win the game.

POSSIBLE NEXT STEPS: You could consider writing sentences with the list of words or even cutting out the squares to create your own flashcards.
